Truckloads of Chips desired (You may call to cancel any undelivered loads)

Note that each truckload varies between 10 and 25 cubic yards of mulch

A healthy adult, using a wheelbarrow, can move 3 yards of chips 50' on level ground in about an hour

Please initial each of these stipulations on chip delivery to indicate agreement:

- I am the property owner or manager of the above address
- I will hold Boutte Tree harmless for any driveway cracks or underground utility damage resulting from the use of their trucks in delivering the chips
- I understand that the quantity of mulch per truckload delivered is variable and there may be less or more chips than I need for my project. I will not complain about the size of delivered pile of mulch unless more than the specified number of truckloads of mulch was delivered.
- I will hold Boutte Tree harmless for any turf damage sustained while trying to drive on unpaved surfaces.
- I will accept delivery of the chips on any part of my property if my preferred dump location is unreachable.
- I understand that the quality of chips is variable, and will not complain about the size or consistency of the chips. The load will be free of logs or other trash.
- I understand that occasionally poisonous plants are included in the wood chips and agree to hold Boutte Tree harmless for any discomfort, illness or malady resulting from the presence of any poisonous plants in the wood chips, such as poison oak and ivy.
- I expect a call before the chips are delivered but I authorize delivery of the chips within the specified time period, noted below, even if I don't answer the phone.

I will accept the chips within the following dates: _____ to _____. Even though you request these dates, we cannot guarantee delivery in these dates. If you would like a guaranteed date, we charge a fee of \$150.
